Deputy Director for Intelligence
Central Intelligence Agency

SUBJECT: Strategic Warning Review Group

REFERENCE: DCID No. 1/5, "Strategic Warning,"
26 February 1975

1. DCID No. 1/5 stipulates that the D/DCI/IC is "assigned responsibility for the formation of a USIB working group to review the functioning of the strategic warning process and to report periodically--at least annually--to the USIB on its findings." The Strategic Warning Staff (SWS) has now been functioning since March 1975, and General Wilson would like to convene a meeting of such a working group in the near future to discuss SWS operations.

2. Our list of representatives from the individual agencies concerned is incomplete. We would appreciate it if you would designate (or re-designate, as the case may be) your representative(s) for this group and so notify Major Anselmo, ICS/PRD, by 19 September (telephone code 143-6501; mailing address, Room 6 E 04, Headquarters Building).
